

Tutoring on Demand

Make the Grade

Crabapple Tutoring provides “**Tutoring on Demand**” to help students prepare for tests, write term papers, essays, provide guidance to complete challenging homework assignments, and reinforce classroom materials and instruction. We assist students, helping with everyday schoolwork to achieve higher grades with a minimum of stress.

Our experienced tutors (all state certified teachers) work closely with your student to maximize the value of their tutoring time. We strive to achieve significant results in a minimum amount of time. When appropriate, we are able to draw upon our library of lesson plans to reinforce basic concepts for a more complete understanding of the subject matter.

We do not require a contract or a long term commitment. You simply pay as you go.

Just call us to schedule a time that is convenient for you and your student. We will match your student with a qualified tutor.

Tutoring on Demand features:

- Experienced instructors who are state certified teachers
- Targeted instruction for the subject at hand
- Available material for supplemental instruction, where needed
- Positive learning environment
- Confidence building
